*Instructions: Please carefully read the following passages. For each passage, you must identify which noun the mention marked in **\*bold\*** refers to.*

**Passage:** Although Mr. Clinton denied having a relationship with Flowers, **\*he\*** did speak of bringing "pain" to his marriage during a joint television interview with his wife, Hillary.

**Question:** In the above passage, what does **\*he\*** refer to?

**Answer:**

LLMs

Mr. Clinton

## Document Template

*Annotate all entity mentions in the following text with coreference clusters. Use Markdown tags to indicate clusters in the output, with the following format [mention](#cluster\_name)*

**Input:** (...) Although Mr. Clinton denied having a relationship with Flowers, he did speak of bringing "pain" to his marriage during a joint television interview with his wife, Hillary. (...) A federal judge recently dismissed a defamation lawsuit she brought against Hillary Rodham Clinton and two former presidential aides. (...)

**Output:**

LLMs

(...) Although [Mr. Clinton](#cluster\_1) denied having a relationship with [Flowers](#cluster\_2), [he](#cluster\_1) did speak of bringing "pain" to [his](#cluster\_1) marriage during a joint television interview with [[his](#cluster\_1) wife, Hillary](#cluster\_3). (...) A federal judge recently dismissed a defamation lawsuit [she](#cluster\_2) brought against [Hillary Rodham Clinton](#cluster\_3) and two former presidential aides. (...)
